The Attorney agrees that any and all information obtained by the Attorney in connection with the preparation of litigation is the property of the Cabinet, and will not be divulged or used in any manner except by the specific written direction of the Cabinet.

(4) The Cabinet shall make direct payment for approved services from outside sources, upon submission of a statement, which has been approved for payment by the Attorney. All such statements shall be identified by the style of the action, the civil action number and the name of the responsible staff attorney in the Cabinet's Office of Legal Services.

(5) Except as hereinafter set forth, the Cabinet shall first give a written response to a proposed settlement or agreed final disposition of any litigation and the Attorney shall

make no agreement or commitment in connection with the final disposition of any action without said prior written approval. If verbal approval is given by the Cabinet, said approval shall be immediately confirmed by written recommendation of the Attorney in accordance with the Cabinet's policies and procedures (which shall be provided by the Cabinet upon request).

(6) The Cabinet agrees to pay the Attorney for services on any cases or matters assigned under Section III of this contract on a "rate per hour" basis, not to exceed \$125.00 per hour for Partner and \$100.00 per hour for Associate. Charges for clerical, secretarial and other support staff shall not be paid. The Attorney agrees to bill in increments of one-tenths of an hour. Paralegal fees will be paid for authorized services only and at an hourly rate not to exceed \$40.00 per hour. Specific rates for requested services will be established at the time of assignment.

(7) Reimbursable expenses shall also be paid and requests for payment of such expenses shall be made on the monthly billing statement described in paragraph (9), below. "Reimbursable expenses" shall mean those out-of-pocket expenses incurred in the representation of the Cabinet under Section III of the contract. Such reimbursable expenses shall be limited to long-distance phone calls, computerized legal research, and copies (at \$0.10 per page). However, the Attorney shall not conduct any computerized legal research unless it is deemed necessary by the supervising Cabinet attorney. In such cases, the Cabinet will only reimburse the Attorney for charges for research beyond the scope of any "basic" or "flat rate" subscription service the Attorney otherwise incurs as an ongoing cost of doing business or as overhead. The Cabinet must give prior written approval to reimburse for any other expense. The Attorney shall elect whether to receive reimbursement for mileage, or charge on a per hour basis for the time expended while traveling. (See terms of LRC Policy Statement #98-1, attached hereto.) Reimbursement shall be in accordance with the provisions established by the Commonwealth of Kentucky Travel and Expense Regulations. When necessary and with written approval in advance by the Cabinet, overnight lodging, airfare, or other extraordinary expenses shall be paid with proper documentation. Original receipts authenticated by the Attorney shall be required for all out-of-office expenditures of Two Dollars (\$2.00) or more.

(8) For all work performed under Section III, bills shall be submitted monthly by the Attorney in a form approved in advance in writing by the Cabinet. Such form shall contain all elements shown on the attached billing example, including the style of the case, the civil action number, the type of case, the name of the supervising Cabinet attorney(s), the Cabinet's file or identifying matter number, the Attorney's file or matter

number, the date of each service performed, a description of each service in detail, the initials of the attorney performing each service, the hourly rate charged for that attorney, the time spent by that attorney on that service (shown in tenths of an hour), the total amount incurred for that service and the total amount due for professional services. Reimbursable expenses shall be listed in detail at the end of each bill with copies of any necessary receipts and approvals attached. Items to be included on bills, such as specific attorneys' hourly rates, may be contained in a summary accompanying the actual bill.

All bills shall be submitted monthly, no later than fifteen days from the date of the last day of each calendar month, and during the fiscal year in which the services were rendered. KRS 45.231(1) states, "Any claim against any agency, department, or budget unit not presented or encumbered for payment within the fiscal year in which the obligation was incurred may, after determination by the secretary of the Finance and Administration Cabinet, be found to be a valid claim against the Commonwealth, and may be authorized for payment out of the appropriation for the prior year claims, provided that the agency, department, or budget unit had an available balance sufficient to pay the obligation at the close of the fiscal year in which the obligation was incurred. All claims authorized to be paid under this section shall be limited to those incurred during the two (2) preceding fiscal years, and the total of such claims paid for any one (1) agency, department, or budget unit shall not exceed the available balance remaining to the credit of such agency, department, or budget unit at the close of the fiscal year in which the obligations were incurred." Thus any claims prior to the preceding two fiscal years must be submitted to and processed through the Kentucky General Assembly.

At such time it becomes necessary to request additional funding of the Attorney's personal service contract, no invoices or work shall be authorized for payment until the increase in funds has been fully approved by the Secretary of Finance has approved said increase. The Cabinet will provide written notification upon the approval of additional funding and the Attorney will be requested to submit invoices at this time.

The Attorney's failure to submit bills within fifteen (15) days of months' end may result in cancellation of the Attorney's contract and in this respect, the Attorney acknowledges the Office of Legal Services' obligation to the Cabinet and the Commonwealth to closely monitor and manage the available funding for outside legal services.

(9) The Cabinet shall direct the Attorney to appeal or not to appeal any appealable order entered by a court. The Attorney agrees to perfect an appeal or defend an appeal when so directed at the fee described in the awarded contract. This service shall

include all necessary steps, including, but not limited to, review of record and transcript, research of case law, preparation of appellate brief and necessary reply briefs and oral arguments.

(10) The Cabinet shall make direct payment for costs incurred in an appeal, i.e., transcripts of record. Reproduction and printing of briefs shall be performed by the Cabinet or paid directly by the Cabinet. Where additional assistance for the representation in any action is necessary in the preparation of exhibits, obtaining photographs, hiring expert witnesses, or obtaining documents or information which cannot be supplied by the Cabinet, the Attorney shall request and receive written approval of the Cabinet prior to incurring any expenses from outside sources. Statements of all outside costs incurred in an appeal shall be reviewed and approved for payment by the Attorney and submitted to the designated supervising or responsible attorney in the Office of Legal Services. Statements shall be identified as to style of action, type of case and civil action number.

#### IV. General Provisions
